2***A, 3[who is 4[a citizen of India]], commits a murder in Uganda. He can be tried and convicted of murder in any place in

(b) A, a police-officer, without warrant, apprehends Z, who has committed murder. Here A is not guilty of the offence of murder.

(a) A and B agree to murder Z by severally and at different times giving him small doses of poison. A and B administer the poison according to the agreement with intent to murder Z. Z dies from the effects the several doses of poison so administered to him. Here A and B intentionally co-operate in the commission of murder and as each of them does an act by which the death is attendance, to furnish Z with food supplied to them for that purpose. Z dies of hunger. Both A and B, are guilty of the murder of
